Jose finds time to work for several charities including Make a Wish Foundation, Cystic Fibrosis and Big Brothers and Big Sisters. He feels strongly about taking time to fish with kids and teach the next generation of anglers. Jose is a licensed pilot which allows him easy access to remote fishing locations. He also continues to explore unchartered fishing grounds and expand his knowledge for local fishing techniques. While residing in the Florida Keys, Jose is keeping busy working on several new upcoming projects that will be announced very soon.
